GROUP 3662

Sir:

Please amend the above identified application according to the enclosed clean copy of the Amended Specification. Also enclosed is a marked up copy with added material underlined and deleted material bracketed { }. The Amended Specification contains no new matter. All added material is for explanatory purposes, is well known to those skilled in the art and is available to the public. The examiner's comments are marked >. The inventor's responses are marked <.

> 1. The disclosure is objected to under 37 CFR 1.71, as being so incomprehensible as to preclude a reasonable search of the prior art by the examiner. For example, the following items are not understood:
